

The Museum Center at Five Points
Proudly presents
The Great Civil War Exposition and Living History Show
Also known as
Buttonwillow Church Civil War Dinner Theater
Tuesday, February 7, 2012

Authentic relics add to the feel of the set.

This show is designed for 5th and 8th grades based on Tennessee State Curriculum Standards.

This fact-filled and fast-paced living history presentation explores the causes, course and consequences of the War Between the States in an unbiased and often humorous manner. The show stars nationally recognized Civil War historian Steve Gipson and his wife, Allison. They portray two family members who support opposite sides of the War.

Although a version of this show has been on the road for a number of years, the Gipsons now confine their performances to the Buttonwillow Church Dinner Theater in Whitwell, TN. Because of the Museum's past support, they graciously come to the Museum Center at Five Points for this special presentation.

Group admission is \$4.00 per student. (Free and reduced lunch students not charged) One Adult per 8 students free, additional adults at \$4 student rate. Complete the information below and return by email to education@museumcenter.org or FAX at 423-476-7922.
